

**FERPA Consent Form for Use of Photography/Videography
College of Veterinary Medicine**

I do hereby agree to be photographed, audio or videotaped by NC State University's College of Veterinary Medicine ("CVM"). I further agree that my image or likeness in the photographs, videos, may be used or distributed for the class composite, the graduation composite, White Coat ceremony, Oath and Hooding ceremony, CVM events, and may be used for web and college promotional materials..

Videotaping may be performed as part of the assessment and feedback process for certain courses, particularly for courses focused on communications and facilitated small group learning activities. In addition, videotapes from these courses may be used for the purpose of training facilitators to teach within these courses. Any materials generated from videotaping of these courses will not be distributed outside the CVM, and online access will be limited to CVM and university personnel (faculty, staff, and students) with approved unity identification.

The composite will be used to assist the college community in properly identifying members of each class of the doctor of veterinary medicine professional program.

The web site version of the composite will be reviewed each semester to make any necessary updates (name changes, roster additions or deletions, etc.). The CVM will limit access to persons (faculty, staff, and students) with approved unity identification.

Event and other photographs/videography will be directly distributed only to CVM personnel or students but may be used for web and college promotional materials.

I have read the foregoing, and I fully understand the contents, meaning, and impact of this consent and release. I understand further that this consent shall remain in effect until revoked by me, in writing, and delivered to the CVM, but that any such revocation shall not affect disclosures or use previously made by the CVM prior to the receipt of any such written revocation.
