Roommate Needed
Hey everyone! I have a bedroom in my 2 bedroom 1.5 bathroom house available now, move-in date is negotiable. It's walking distance to NCSU main campus and Cameron Village and a 5 minute drive from the vet school (no dealing with traffic in the morning!). Off street parking and washer and dryer in-house. Most of the house is furnished, you just have to furnish your bedroom. Pet friendly as long as your pets are okay with cats (I have 4). I'm a second year vet student, will be a 3rd year this coming Fall, so I like to keep things low-key and quiet. $700 a month with utilities. Contact Amanda at amsautne@ncsu.edu or 215-896-5775 if you are interested; DVM Class of 2021

Looking for 2 New Roommates
Looking for 2 roommates for a 3 bedroom 3.5 bath townhome. Townhome is located near Avent Ferry Road and Tryon Road (10 minutes from campus). Rent is currently $505 a month per person plus utilities (usually between $65-80/month). The living room is fully furnished, and there is a spacious deck overlooking a nice wooded area. There is a one car garage, and plenty of parking available next to the unit. The townhome is within walking distance to Lake Johnson Park and there is also a community pool that is open in the warmer months. The townhome is not pet friendly, due to brand new carpets in the bedrooms.

Roommate(s) Needed
I am a rising 4th year looking for 1-2 roommates in a 3 Bedroom, 2.5 Bathroom house in NW Raleigh an easy 15 minutes from campus. The house is in a very friendly, quiet cul-de-sac off of Glenwood Ave. It is also close to many stores and restaurants, including a Target, movie theater, Lowe’s, Food Lion, and Lynnwood Brewing about a block away. There is a decent sized backyard and is pet friendly. Rent is $430/month and utilities are usually between $50-$90/month depending on the time of year. Lease begins July 1st.
I have absolutely loved living here the past 2 years. The neighborhood is incredibly friendly and people are willing to help when needed. We have had no trouble with our landlord. It’s a great location and is close to pretty much all major stores. It’s a good-sized house with both a dining room and living room as well as an attached garage. It’s definitely a great value given the price, location, size, and quality of the house.

**Two Bedrooms Available in a 3Br/2Bth Apartment**

Located at the Wildwoods of Lake Johnson (1131 Lupine Court) approximately 6 miles from the veterinary school, this apartment offers about a 10 minute commute to the CVM. The apartment is a 3 bedroom, 2 bathroom space. One room contains its own bathroom equipped with toilet, sink, and shower. The other two rooms share a toilet and shower while each individual has their own sink. All bedrooms have walk in closets and all rooms have wonderful views with plenty of sunlight. The central living space consists of a kitchen, living room, and screened in porch. The apartment is an end unit which makes it a quiet place for studying. The apartment is situated just a short walk away from Lake Johnson. In fact, during the winter time when the trees are thin, the lake is visible from the apartment. Lake Johnson contains over 5 miles of lake trails. It is the perfect set up for nature lovers, runners, and pet owners.

Rent is projected to be around $1200/month for the next year. The room with its own bathroom is $480/ month. The other available room with the shared bathroom is $400/ month. Amenities include access to the pool and gym. The Wildwoods of Lake Johnson apartment complex has been growing in popularity among veterinary students over the past few years due to its cost effectiveness, pet friendliness and close connection to the lake and outdoor trails. Come see what the buzz is about and take a walk around the lake while you're at it! More photos and floorplans available upon request.
