

**Institutional Animal Care and Use Committee  
Non-NC State Collaborator-Core Facility Use Form**

Use this form to make a change to an approved animal care and use protocol. Return completed form to NCSU IACUC Office to: [iacuc\\_office@ncsu.edu](mailto:iacuc_office@ncsu.edu) If you have questions, please contact the IACUC office via phone at 919.515.7507 or 919.515.9532. For information on IACUC review of protocol amendments, see: <https://research.ncsu.edu/sparcs/compliance/iacuc/iacuc-sops/iacuc-changes-avau/> "Review Procedures for Significant Changes in Approved AVAU"

---

If you will be working with a non-NC State collaborator on the studies outlined in this submission, please complete the applicable questions. All parties should discuss the specifics of the study arrangements prior to completing this submission and the procedures, animal numbers and experimental details must be fully described in the Collaborator's Approved IACUC protocol.

Collaborator's Company Name:  
Protocol Number:  
Protocol Title:  
Protocol Approval Date:  
Principal Investigator:  
Email address:

Is this work covered under public funding of the Collaborating institution (NIH, NSF, DoD?) **Yes**  **No**

Non-NC State personnel are not permitted in the animal facilities unescorted. A member of our lab will accompany the collaborator in the animal facilities at all times.

I agree

1. Please provide a concise description of the services conducted under this protocol for the Non-NC State Collaborator. Full details must also be described in the Collaborator's approved IACUC protocol.

[text box]

2. Please describe the species and number of animals to be used.

[text box]

3. Will animals from another institution be used under this protocol?

Yes  No

Will animals be transported to/from the building before or after procedures?

Yes  No

a. If so, who is responsible for transportation (check all that apply)?

NC State PI/Lab

Non-NC State Collaborator

b. How will animals be transported (check all that apply)?

Carry or covered cart

NC State approved vehicle

Official animal resource transport vehicle of non-NC State institution with appropriate environmental controls (ventilation, heating, cooling, lighting)

Other

If "Other" mode of transport is selected, explain below:

[text]

*Note: the use of private vehicles for transport is strongly discouraged, and transporting animals using University vehicles not maintained by DLAR (i.e. Campus Bus or Motor Pool) is not permitted.*

1. For survival studies, where will animals be housed after procedures?

**Confirm that all principal investigator assurances apply to proposed change(s) by checking this box:**
